

AIBS introduced the requirement for all practicing members of AIBS to become accredited in accordance with the AIBS Membership Policy that came into effect on 01 January 2021.

The current requirements for members to become accredited with AIBS are set out in the AIBS National Accreditation Scheme.

The purpose of Accreditation via Mutual Recognition is to introduce an additional process for AIBS to accredit members and building surveyors through mutual recognition of equivalence of a building surveyors' registration as a building surveyor across all jurisdictions by recognised registration authorities.

The AIBS Board has approved the Accreditation via Mutual Recognition Program from 01 July 2021 until 30 June 2023 which has been incorporated into the AIBS National Accreditation Scheme effective 01 July 2021.

Membership applications via mutual recognition are available from 01 July 2021 until 30 June 2023.

Please note: Members seeking AIBS accreditation for registration in QLD, SA & ACT should apply as per the AIBS Accreditation Scheme, not via mutual recognition accreditation.
