

PSS Exemption Form

Only Practicing Members are entitled to become AIBS Professional Standards Scheme (Scheme) Members.

All Practicing Members will be required to become Scheme Members unless they apply for and are granted an exemption from the Scheme.

Practicing Members who work solely for local government or other public entities where the entity employs the Practicing Member and where that entity is not able to meet the professional indemnity insurance requirements may apply for an exemption.

Practicing Members who are able to prove that they do not and will not undertake building surveying work, such as academics, may also apply for an exemption from the Scheme.

Application

This form is to be completed any AIBS Practicing Member seeking to be exempted from the Scheme.

If a member is seeking an exemption from the Scheme, this form is required to be completed at the following times:

1. At the commencement of the Scheme
2. At annual membership renewal; or
3. When your employment or eligibility for an exemption from the Scheme changes

Members who no longer become eligible for an exemption, change employment, or seek to cancel their exemption must notify AIBS immediately in writing at memberservices@aibs.com.au.

Exemption Information

Full Name: _____
